

Michelin Promise Plan™

Michelin wants you to be 100% satisfied with your MICHELIN passenger or light truck replacement tires so they are backed by the Michelin Promise Plan.

The Michelin Promise Plan includes the following benefits:

- 30-Day Satisfaction Guarantee
- Flat Tire Changing Assistance
- Limited Mileage Warranty

30 Day Satisfaction Guarantee:

Michelin is confident you'll love your new MICHELIN tires. So confident, in fact, that they back your purchase with a 30-Day Satisfaction Guarantee. You have up to 30 days to decide if you want to keep them or exchange them for a different set of tires. If you're not 100% satisfied with your new tires, just bring the tires and original sales receipt back to the place of purchase within 30 days of your purchase and we will gladly exchange them.

Certain conditions and limitations apply. Exchange available only for the number of tires originally purchased and mounted. Mounting and balancing costs are included on exchanged tires. Valve stems are extra. Tires that are damaged due to misuse or misapplication, road hazards, and mechanical problems related to the vehicle, use in any racing-related activities or competitive events, or tires that are removed from the original vehicle on which they were installed, are excluded from this satisfaction guarantee, and exchanges do not apply. This satisfaction guarantee only applies to the original tires purchased and not to the tires provided under this guarantee. This guarantee does not apply to original equipment tires, and is subject to all the maintenance recommendations and safety warnings contained in this Owner's Manual.

Flat Tire Changing Assistance for 3 years:

MICHELIN tires are designed with robust construction to resist punctures, but there are still some things that may cause your tire to lose air. We hope you never experience a flat tire with your new MICHELIN tires, but if you do, the Michelin Promise Plan is ready to help. In the event of a flat tire, simply call the toll-free number listed below (also provided on the tear-out wallet card), and a qualified service professional will replace your flat tire with your inflated spare. If an inflated spare is not available, towing will be provided at no cost (up to 150 miles) to the nearest approved Michelin dealer of your choice. Flat Tire Assistance is available 24 hours a day, 365 days a year in the U.S. and Canada.

Certain conditions and limitations apply. This service does not cover the repair or replacement costs of the tire. The service applies only to motorized passenger and light truck vehicles and specifically excludes trailers, recreational vehicles, commercial vehicles and any vehicle used for farm, ranch, agriculture, racing, or off-road service. This service is not available for original equipment tires.

Limited Mileage Warranty:

MICHELIN passenger and light truck tires – replacement and original equipment – are covered by a limited mileage warranty (hereafter referred to as limited warranty for treadwear). For the mileage warranty associated with each tire line, please see your Michelin tire retailer – or visit at www.michelinman.com/promise.

Certain conditions and limitations apply. Mileage warranties vary by tire line and certain exclusions may apply. The limited warranty for treadwear is subject to all conditions and limitations, including maintenance recommendations and safety warnings, contained in this Owner's Manual under the Michelin passenger and light truck tire limited warranty.
